

WADDINGHAM PRIMARY SCHOOL

Information for Parents

Class 1

Term: Autumn(1), Autumn(2), Spring(1), Spring(2), Summer(1), Summer(2)

@FoodInsight

Ready, Steady, Grow.

Subject	Children will learn about;
English/Phonics	The children will be writing their own recipes and following recipes to create some smoothies. The children will be exploring non fiction texts about growing and foods. We will also be continuing our Read, Write, Inc journey.
Maths	The children will be learning about length and height, they will be comparing lengths and measuring in centimetres and metres. We will also be consolidating our place value knowledge to 50. knowledge.
Science	We will be focussing on growing this half term. The children will be learning about plants, where they grow and what they need to grow.
Computing	The children will be learning how to group data and present it in different ways.
Design & Technology	We will be learning about different vegetables and fruits. We will be learning how to use kitchen equipment safely to make juices and smoothies.
History and Geography	In History, the children will be learning about homes in the past and how they differ from their homes today. We will also be learning about "The Great Fire of London."
RE and PSHE	In JIGSAW our new topic is called Healthy Me. We will be exploring all the different ways we can stay healthy. In RE the children will continue to explore answering the question , "What do creation stories teach people about God and human nature?"
PE	We shall be developing the skills we have already gained to travel safely over and under, round and through the large apparatus. We shall be developing sequences of movements and balances on the apparatus and on the floor. PE will be with Coach Tim on a Tuesday and Mrs Wood on a Wednesday.
Music	The children will explore making sounds with their voices and bodies to accompany songs. We will continue our music lessons with Mrs Clifford on a Tuesday.
